Re: Inmate Healthcare Services RFP –3:00 P.M., Thursday, May 22, 2008
RFP Number 2008-2352-3302-27
Addendum I

Dear Proposer:

Please refer to the below modifications to the proposal requirements. Note that you are in receipt of these modifications in your cover letter.

Section II.2 Service Specifications

11.2.3 should read as follows: **Contractor shall perform a Receiving Health Screening on all new commitments to the Dorchester County Jail within two (2) hours of arrival and before the inmate enters the general population of the facility. The screening shall be completed by a Registered Nurse/LPN for intake screening.**

Section II.2 Add the following:

11.2.22 **Perform Pre-Employment/Criminal Justice Academy physicals for new employees as needed.**

11.2.23 **Provide Tuberculosis (TB) tests to Detention Officers on annual basis and HEPVAC to Officers and State Trustee inmates as needed.**

Please let me know if you have any questions. Thanks.

Sincerely,

S.G. Stephens, Jr., CPPO
Procurement Director
