

REQUEST FOR QUALIFICATIONS

510-2936-4501-13

Dorchester County, South Carolina requests Qualifications Statements from Consultant Designers for Audio / Visual Equipment, Radio Communications Equipment, UPS Equipment, and Security Equipment for the new planned Emergency Services Building planned for construction on Deming Way, Summerville, SC. Individuals or firms that have expertise in part or all of these component design services are invited to submit Qualification Materials to Mr. Sam Stephens, Purchasing Director, Dorchester County at 201 Johnston Street, St. George, South Carolina, 29477 by no later than 3:00 p.m. on November 30, 2009.

This new Emergency Services Building will house the following county departments: Emergency Management Department, I.T.S. Department, G.I.S. Department, Sheriff's Management Department, and Elections Commission. The proposed building will be a two story structure with approximately 14,000 square feet per floor.

Complete requirements may be obtained by contacting the Purchasing Director at 843-563-0140 or 832-0140, or by emailing at sstephensjr@dorchestercounty.net .

Any questions by prospective firms or individuals may be addressed to:
