MEMORANDUM

GENERAL SPECIFICATIONS AND INSTRUCTIONS TO BIDDERS

I. SCOPE:

The intent of this **Concrete Sidewalk Project** is for the Contractor to install a **5' Wide Concrete Side Walk (S/W)** along Appian Way located off Dorchester Road. To start at Landing Parkway go to River Oaks Drive on the West Side. **Total length of project** is 2800' +/-. The contractor shall follow all provisions listed in the bid package and abide by all corresponding South Carolina Highway Department Standard Specifications for Highway Construction Latest Edition. **NOTE: Project is to have a start up date within 14 days of awarding contract and a completion date of 90 days.**

II. SPECIFICATIONS:

- 1) Contractor to install approximately 2800'+/- of a 5' wide concrete s/w at 4" thick and 3000 psi with fiber.
- 2) S/W location will be 4'+/- from back of existing curb and gutter or back of curb inlets or junction boxes.
- 3) Unclassified excavation per yard .
- 4) Minimum 0.10' fall from back of existing curb and gutter and new s/w or the ADA requirements.
- 5) Contractor to grade, level, form and pour s/w.
- 6) Contractor to re-shape existing grade to new s/w and hydro seed.
- 7) Dorchester County Public Works Department will determine field adjustments based on existing conditions.
- 8) Contractor to install 16 curb and gutter handicap ramps at road crossings.
- 9) Contractor to paint approximately 300' of s/w striping at road crossings.

III. RESPONSIBILITIES OF THE CONTRACTOR:

- 1) Contractor shall be responsible for maintaining traffic control during periods of construction. This includes providing and maintaining necessary signs as stated in this package.
- 2) Contractor shall take full responsibility for any accidents or injuries that may occur during construction, thus leaving the County not liable in any way, shape or form.

IV. INSPECTIONS: Personnel from Dorchester County Public Works will inspect the drainage, sub-grade, base and paving on the construction site where applicable.

V. BID SECURITY BOND: Bid security shall be in an amount equal to at least five percent (5%) of the amount bid. Certified checks should be made payable to the Dorchester County Treasurer.

VI. PERFORMANCE AND INDEMNITY BOND: Contractor shall provide a performance and indemnity bond in the amount totaling one hundred percent (100%) of the amount bid on the award date.

VII. PAYMENT BOND: Contractor shall provide a payment bond equal to one hundred percent (100%) of the amount after contract is awarded.

VIII. COMPLETION TIME: Contractor shall state estimated completion times from contract award date.

VIII. PRICING OF JOB: Contractor shall price job and also a price per square foot on s/w.

X. WARRANTY PERIOD: Contractor shall be responsible for s/w until a final inspection has been performed and a release of liability has been written.
