

Notice to all vendors conducting business with Dorchester County

In order for Dorchester County to comply with our auditor's requirements we require all vendors doing business with Dorchester County to provide a current copy of your Certificate of Insurance, showing the County as a co-insured party.

Your certificate must show adequate Workers' Compensation coverage as required by SC statute and sufficient Employer's / Contractor's Liability insurance. These certificates must be provided annually on July 1st of every calendar year in order for you to continue to conduct business with Dorchester County.

These certificates may be mailed to Samuel Stephens, Procurement Director, 201 Johnston Street, St. George, SC 29477 or faxed to 843-563-0152 or 843-832-0152.

A copy of the required insurance coverage limits is available upon request.
